key questions and concerns

Q1

What is Sonae's equity story?

CORPORATE STRATEGIC GUIDELINES FOR FUTURE GROWTH WERE DISCLOSED

Main goal is to transform Sonae into a large multinational retail corporation

GO INTERNATIONAL

- Top strategic objective
- Target growth geographies and mature markets
- Use concepts believed to be distinctive and with a clear edge over competitors

DIVERSIFY INVESTMENT STYLE

- Adopt the most appropriate investment style on each business
- Accept non-controlling stakes (minority stakes) when Sonae would benefit from the contribution of partners to create value

LEVERAGE EXCEPTIONAL ASSET BASE IN PORTUGAL

- Continue to explore new business opportunities that leverage Sonae's exceptional asset base in Portugal
- New ventures should have potential to become a large business in the medium term and with a clear path to internationalization

IMPORTANT ORGANIZATIONAL CHANGES WERE IMPLEMENTED

Changes designed to provide the necessary focus and taking into account different internationalization expansion opportunities of each core unit

REORGANIZE RETAIL INTO 3 SEPARATE BUSINESS

- 2 core businesses: Food based retail and Specialized retail
- 1 related business: Retail Real Estate
- 2 core partnerships: Shopping Centre and Telecommunications

INTEGRATE RETAIL & HOLDING CORPORATE CENTRES

- Release resources necessary for new corporate developments without increasing headcount
- More focus on retail and retail related business

INCORPORATE A NEW INVESTMENT MANAGEMENT AREA

- Create a support unit within the newly integrated corporate centre
- Unit with M&A expertise and focused on the retail sector

WE ARE A RETAIL COMPANY

- Market leader in food and specialized retail formats
- With Board control of a Shopping Centre and a Telecommunications business

- **Develop the international identity** of the formats' portfolio paving the way to the entrance into other markets
- Possible configuration of an **additional international development model** based on franchising and other capital light approaches as means to accelerate growth.

Q4

What are your strategic options for the Shopping Centre and Telecommunications businesses?

A SELF SUSTAINABLE COMPANY WITH NO “CALL FOR MONEY” AND A DIVIDEND PAYER ON A REGULAR BASIS

An international shopping centre specialist, 50% owned joint venture with Grosvenor

- with presence in Portugal, Spain, Italy, Germany, Greece, Romania and Brazil
- owning 52 Shopping centres with open market value of ~6 billion euros (as of 31 Dec 09)

Commitment to achieve above industry average return

- Return on Equity - long term target of 15%
- Dividends - 50% of direct net profit after minorities plus 50% gain on sales

EBITDA (M€)

2008 is restated to include the Sierra Portugal Fund at 42%

CONTINUED GROWTH OF DIRECT RESULTS...

Reflecting the cost control initiatives implemented and...

- Occupancy rates kept at high levels (95%)
- Higher total rents collected (variable + fixed) by 7% and marginally negative 1% on a like-for-like basis

A DECELERATION OF YIELD INCREASES WAS CLEARLY NOTICEABLE IN 1Q10

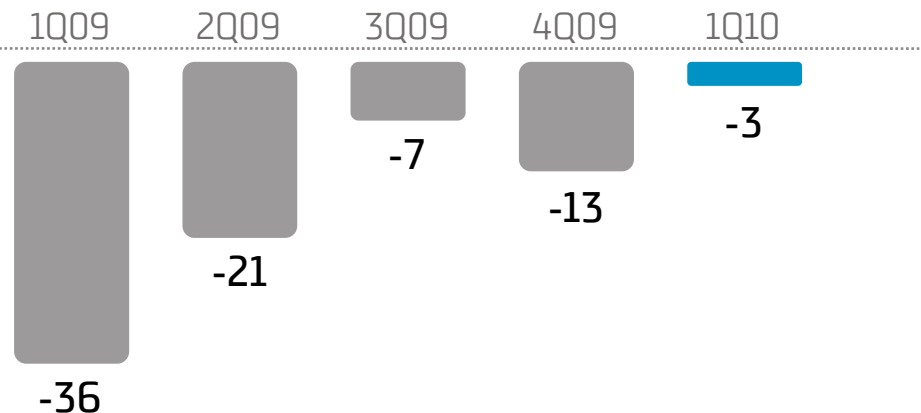

- Only properties in Portugal suffered from yield expansion (+13bp)
- Yields in others countries remained relatively flat

NEGATIVE NON CASH EFFECT FROM THE DEVALUATION OF ASSETS

YIELD EVOLUTION	Δ 2008	Δ 2009
Portugal	+56bp	+89bp
Spain	+95bp	+60bp
Italy	+78bp	+27bp
Germany	+42bp	+17bp
Romania	+125bp	+100bp
Brazil	-8bp	-7bp

INDIRECT INCOME FROM THE DEVALUATION OF ASSETS

ADAPT BUSINESS PRIORITIES TO THE CURRENT CONSTRAINTS IN FINANCIAL MARKETS

Be resilient under the current market turmoil and prepare to exploit all the growth opportunities to come when the market recovers

- Heavy focus on cost management
- Reduction of capital employed through reinforcement of partnerships and accepting non-controlling equity stakes
- Push for selling service activities to other shopping centre operators (development, asset management and property management services)

Slow down the pace of launch of projects in pipeline

- 2 projects under construction and 10 new projects in different phases of development
- Only projects committed with financing will be developed
- Delivering a minimal required return on equity for each project

Be ready to continue to grow, as soon as feasible, spearheaded by the **development activity** and **entering into new markets**

SONAE COM IS A SIGNIFICANT PLAYER AND A VALUABLE ASSET IN THE TELCO MARKET

An integrated operator

- Sonaecom is present in all Telco segments - residential, corporate, SME and SOHOs and Wholesale - with mobile, wireline and convergent offers of Voice, Data & Internet access and TV
- The true integrated alternative operator in Portugal

Mobile customer base exceeds 3.4 million subscribers and continues to grow

Wireline business evolving towards offers supported by its own network

MOBILE CUSTOMERS (Millions)

% DIRECT ACCESS/ Wireline customer revenues

SHOWING STRONG EBITDA RESULTS AND POSITIVE CASH FLOW

These results are a clear demonstration of the company's ability to meet and, in some measures, surpass the challenging targets for the year...
...amid the environment of high risk and uncertainty

Again, the performance was above expectations:

- Turnover impacted by MTRs, lower Roaming in revenues and lower wireline residential revenues
- Cost control initiatives in place
- Rigorous management of CAPEX

SUSTAINABLE STAND ALONE BUSINESS

- **Stable/growing mobile business:**
Growing market share; Sustaining good margins
- **Good performing wholesale:**
Corporate & Wireline business
- **Fully integrated** telecom's structure
and convergent market approach
- **Growing SSI** business
- **Comfortable capital structure**
- **Stable reference shareholder**
- **Strong management team**
