- **The first live Fortnite "class" in Portugal takes place at Twitch Worten Game Ring on 5 September**
- **The best "student" of this master-class will win the new Lenovo LEGION Bundle**

Worten, through its gaming brand, Worten Game Ring, has teamed up with Lenovo to create the first live streaming Fortnite master-class in Portugal. The "class" will take place at the Twitch Worten Game Ring, on **5 September at 9 p.m.** and marks the return of many Portuguese gamers to their favourite game. **Lenovo's new LEGION Bundle, exclusively available at Worten stores**, will be the prize for the best "student" to participate in this master-class.

**Archarom**, one of the most prominent names in Portuguese Twitch, and **Shikai**, one of the best Fortnite players in the world, will be the "teachers" of this event that aims to help the students evolve in the game through tips and tricks given by the masters. There will be many learning topics, including **Body Warming** (demonstration of exercises for the wrists and tendons that must be done before playing for several hours); **Talk about keybinds and how to optimise keys**; **Warming up the game** (demonstration of important constructions and movements), **Game** (gameplay with real-time comments on what Shikai is doing and why and with the application of the tactics trained in warm-up), **Questions and answers** (which can be done at any time during the stream, allowing a real interaction between "students" and "teachers").

After the "lesson", the knowledge will be put to the test in the "Diagnostic Test", a live quiz that will distinguish the more attentive "students". The quiz will end with a "Fire Question", in which **the first "student" to answer the question correctly wins the new Lenovo Bundle.**

For those who like to play "face-to-face," and want to have the opportunity to meet Shikai personally, the Worten Game Ring is going to hold a Fortnite tournament in the Colombo Worten store on 11 September, between 10 a.m. and 9 p.m. and **Shikai will be there between 6 p.m. and 9 p.m.**
